

AGENDA FOR LIFE

1. Believe in Allah and serve humanity. Be of assistance to others.
2. Change yourself – be a good human being.
3. Change the existing exploitative system.
4. Establish socio-economic justice.
5. Solve the serious problems of the people.
6. Build your society.
7. Side with the oppressed against the oppressor.
8. Treat everyone as equal in right and status, irrespective of color, creed or religion.
9. Treat other human beings with love and fraternity.
10. Awaken the people and organize them, and provide the right leadership that treads the right path.
11. Give full attention to the betterment of your family.
